## 2019 Visitor Testimonials

'An innovative, stimulating and future vision centred experience. Thank you for inspiring an NHS Leader I appreciate it!'

**General Manager**  
**Guys + St. Thomas NHS Trust**

'A really engaging and informative day, met some great people who are willing to work with our business to improve processes and capability. A well organised day.'

**Engineering Manager**  
**Siemens Healthineers**

'Really enjoyed the show, it broadened my horizons as to what is possible in the world of automation! Overall, an invaluable adventure into the automation world of tomorrow! Thanks for the event!'

**Production Intern/Automation Lead**  
**Texecom**

'I heard a lot of great things about this conference, I really liked the fact that I can quickly build a professional network. These contacts have a wealth of knowledge I can tap in the future when the need arises. I came from Warsaw and my goal was to put into action atleast one takeaway when I get back to the office. I easily found these...'

**Innovation Manager**  
**FM Logistic**

'Great range of exhibitors, many unique offerings, found it a very rewarding experience and came away with several potential useful contacts for opportunities.'

**Business Improvement Manager**  
**Kier**

'This has been a pleasant and educational experience, all put together in a well laid out environment. I will definitely recommend this event to my colleagues, to enhance their awareness and uses of robotics and automation in the working environment.'

**Operations Manager**  
**HM Armed Forces**

'As marketed, this is the UK's largest dedicated Robotics & Automation Exhibition and in participating and networking in the event we can see/ascertain how many of these exhibitors can save us thousands in the future.'

**Manager**  
**CML Ltd**

'A really productive use of time allowing me to make contact with like-minded people in a few productive days. Great to see the latest technology in one place.'

**Engineer**  
**Sony UK Technology Centre**

'Great programs and learning through the theatres! Very approachable stands, not overwhelming like other events. Good focus on industry specific, important topics and stands'

**Solutions Designer**  
**DHL Supply Chain**

'Great experience, fascinating sessions and insightful look into the future of automation.'

## 2019 Exhibitor Testimonials

'Robotics and Automation is the best place to get a temperature, check on the state of automation in the UK and see the latest technology advancements.'

**Product Manager**  
**Automata**

'Awesome! Interesting, energetic.'

**Marketing Consultant**  
**Wise Software**

'This is the third time we have exhibited and we achieved a new record of quality new contacts and leads on top of the substantial orders which continue to arrive as a result of the earlier exhibitions.'

**Managing Director**  
**WERMA (UK) Ltd**

'As usual, the level and calibre of clientele that have come through the doors have been high-end decision-makers.'

**Sales Director**  
**Conveyor Systems**

'It's been a real good two-day event. We've had some incredible customers coming to see us, held some great conversations about how to apply robotics – both industrial and collaborative robots – and we've made some incredible leads. We'll definitely be coming back next year.'

**Managing Director**  
**Bauomat**

'We've been exhibiting at the Robotics & Automation show since its started. The organisation is still excellent. the show is growing and its the place to be!'

**Commercial Manager**  
**Guidance Automation**

'The event was excellent and well worth the time and money spent to exhibit. Anyone wishing to implement robotics or automation should ensure that they visit the exhibition.'

**Sales & Marketing Manager**  
**Wood - Automated Systems UK**

'It's been a really great show for us and exceeded all my expectations. We had more meaningful enquires in two days here than we've had at other trade shows in four days. There's been a lot of interest in live projects, which is exactly why we're here. We've already rebooked for next year'

**Sales Manager**  
**FlowStore**

'We've made some very good leads and met many high-level, quality people, essentially the decision-makers. Normally at trade shows I'm plagued by people who try to sell to me, that hasn't been the case at all here. Will we be here next year? Yes!'

**Owner**  
**Brillopak**

'This is our third time at Robotics & Automation and the show had grown from strength to strength. We are looking forward to doing it next year - we've already rebooked!'

**Managing Director**  
**Lamonde Automation**

'It's been overall, totally positive show for us. We've had no negativity, good footfall, really high quality leads.'

**Head of Sales & Marketing**  
**Synergy**

A great event has come to an end and it's been a full on two days at [Robotics and Automation](#).  
Our two [Rethink Robotics GmbH #Sawyer](#) Cobots on display were kept well busy with their 90 second pick and place challenge.  
Also an impressive showcase of the [Automata #Eva](#) entry level Robot.  
Hats off to the PG team
